About

I am a Computer Science and Engineering student at KLH University, Hyderabad, with a strong interest in software development, artificial intelligence, and emerging technologies. I enjoy exploring how technology works, solving problems, and continuously expanding my technical knowledge through hands-on learning and practica...

About

I am a first-year B.Tech student at KL University with a strong interest in coding, technology, and continuous learning. I am building my programming skills through Java and learning how to solve problems using logical thinking. I am also exploring Prompt Engineering to understand how to use AI tools effectively. I ... ...
